

SSEF On-site service in Bangkok 23 – 29 August 2010

Dear client,

After having to postpone its May on-site service the SSEF Swiss Gemmological Institute is pleased to announce that its upcoming on-site service in **Bangkok** is scheduled for the **23 – 29 August 2010** period.

Should you in the meantime have any gemstones to submit for certification, please contact our main office in Basel for details of dates and prices of our efficient Bangkok shuttle with Malca-Amit and we will be happy to certify these items for you at our laboratory in Basel.

In August, we will be equipped with our mobile instruments and spectrometers and can ensure that every gemstone is meticulously analysed before certification. If you would like to make an appointment in advance, for August 2010, please contact SSEF or our local representative, Mrs Thu by sending an email to ssef.bangkok@gmail.com or by calling +66 (0)81 987 43 42.
