

## SSEF Swiss Gemmological Institute:

### New York Shuttle

#### Your partner

Malca-Amit is your worldwide partner for your valuables and all global logistic matters. We tailor to your needs and provide you with fast and reliable means of transport.

#### What are your advantages?

Swiss Quality: Certification of your most valuable items at the world renown SSEF.

Time: Your gems are back in your hands within a short time, 10 days

Insurance: We propose to you interesting rates for your shipments under full liability

Customs: We take care professionally of all customs issues.

Cost: You profit from a significant reduction in your shipping costs. Sending a higher number of items per package will reduce the costs per item further.

#### How does it work?

You contact the Malca-Amit office in your country and mention that you need the **Malca-Amit SSEF shuttle**, define your rate for freight and liability in & out, to & from ZRH Airport.

The shuttle leaves the Malca Amit office in New York **every Friday** at 12:00.

This gives you the opportunity to deliver your package to the following address any or every Friday until midday.

Simply ask for the SSEF Basel shuttle and your shipping requirements will be clear.

#### Included services:

Temporary clearances in & out in New York and in Zurich

Pick up and delivery in New York City

Domestic transport: Zurich Airport – Basel - Zurich Airport

Swiss customs duties & VAT guarantee fees for TIB

Airfreight valuable cargo under our consolidation
