- The maximum amount of loose stones per lot on one report is 50. Lots which are larger will be subdivided and tested and charged separately.
- In some cases, an extra-charge will be added to above price for lots/pieces that require extra testing-time.
- If an origin cannot be detected, only the ID Report fee is charged.
- For fancy coloured sapphires (excl. padparadscha) and spinels which are not blue or red: 30% reduction.

Each additional strand + 50% (of strand with largest diameter).

- The maximum amount of loose pearls per lot on one report is 50 pearls. Lots which are larger will be subdivided and tested and charged separately.
- In some cases, an extra-charge will be added to above price, especially for extra-long strands (>45 cm), or complex mountings which require extra testing-time.
- For pearl tomography, an extra fee of 500 Swiss Francs is charged per pearl.
- Age dating of a pearl costs 2000CHF. For more than one pearl, price on request.

Further services

Recheck

of a previously tested stone

REGULAR	
300	

PREFERRED CLIENT	
300	

- Recheck prices do not apply to pearls, diamonds and small diamond lots. To benefit from the recheck price, the old report has to be returned to SSEF upon re-submission of the item.
- Recheck of previously tested loose stones or recheck of previously tested stones in jewellery: **price on request.**
- SSEF Preferred Client Prices: to benefit from this option - which is ad personam and non-transferable - client is required to pay CHF 550.- per calendar year.
- Premium appendix costs 2500CHF/piece in addition to report price, and can only be ordered if item has obtained appendix letter.
