of a previously tested stone

STANDARD
75% discount of normal price, but minimum 300

PREFERRED CLIENT
75% discount of normal price, but minimum 300

- Recheck prices do not apply to pearls, diamonds and small diamond lots. To benefit from the recheck price, the old report has to be returned to SSEF upon re-submission of the item. Recheck only available for reports issued within the past **5 years**.
- Recheck of previously tested loose stone lots or recheck of previously tested stones in jewellery: price on request.

Preferred Client

- SSEF Preferred Client prices: to benefit from this option -which is ad personam and non-transferable- client is required to pay CHF 650 per calendar year.

Premium Appendix

- CHF 2500 per piece in addition to report price and can only be ordered if item has obtained an appendix letter.

DiamondTrack™

- See colourless diamonds price list.

Diamond Laser Engraving

- For diamond laser engraving (SSEF report No or client reference No): CHF 20 for stones < 3.00 ct, CHF 50 for stones between 3.00-10.00 ct, CHF 100 for stones above 10.00 ct.

DNA testing

- DNA species identification of corals, ivory, pearls: CHF 600 per sample (in addition to report price).

GemTrack™

- Cost of testing and full characterisation of the rough stone (with polished window) is CHF 500.
- Cost of testing the cut gemstone is CHF 500, in addition to the charge for the regular SSEF report. In this case a regular report and a GemTrack™ document will be issued for that stone.
- If the gemstone is later set in jewellery and thus submitted a third time, the update of the SSEF report and GemTrack™ document will cost CHF 200 + recheck fee.

Jadeite

- For jadeite testing price list see www.ssef.ch/testing-prices
